**Subject:** RE: FMC RCRA Pond UAO Monthly Conference Call  
**Date:** Monday, August 08, 2016 9:27:00 AM

---

Good morning, for the call today, I have an agenda item. EPA's letter to FMC is signed. As we previously discussed this letter is to request a single integrated RAWP incorporating previously approved RAWPs and RIWPs and modifications. I would also like to discuss monitoring in the standpipes for RCRA ponds that have not had source gas monitoring from the perimeter standpipe before or where it has not occurred recently.

Talk to you soon
